AZEMAD

Hall 7 - Stand E50

AZEMAD began its activity in 1966 and is currently present in both domestic and international markets for the past five decades. Presently it has three business areas: FURNITURE –CONTRACT- SPORT.

AZEMAD FURNITURE focuses its core business in High End furnishing as well as decoration, Besides its vast knowledge acquired since 1966, it has a proven and experienced team of architects and decorators, skilled in developing unique pieces meeting the clients requirements, offering an unconditional support from the design stage, to the construction phase, all the way up to the customization of each manufactured article.

The forward thinking and innovative spirit of AZEMAD has always motivated the company to engage new challenges, placing it at the cutting edge of technology and industry, all the while having a sustainable production based philosophy.

As a result the firm had the opportunity to show its presence in the 2014 and 2015 editions of Maison& Object. It has however gone into a small hiatus these last few years. Nonetheless and in order to reach a boarder scope and visibility, AZEMAD would like to be present once more but this time around in the January edition of Maison et Object. Recently the brand has been showing in the Salone Del Mobile in Milan, continuing therefore it's expansion in international markets.

BOCA DO LOBO

Hall 8 - Stand C03

Boca do Lobo is committed to reinterpret ancient techniques from the finest craftsmanship to create unexpected pieces of contemporary design. Boca do Lobo furniture is an exclusive emotional experience, a sense of belonging and a state of mind. In the workshops, talented artisans challenge and combine traditional manufacturing techniques with the latest technological methods to shape the finest materials into remarkable furniture, upholstery and lighting which gives rise to timeless cosmopolitan environments. The collections are inspired and accurately handcrafted in Portugal with attention to detail, passion for beauty and the pure dedication of skilled craftsmen and craftswomen.

Boca do Lobo cherche à encourager et à représenter les techniques de fabrication artisanale les plus authentiques en comprenant et en interprétant le passé, à travers la technologie et le design contemporain. Le sentiment de non-installation des esprits créatifs de BOCA DO LOBO et les efforts méticuleux de maîtres artisans ont permis de concevoir des produits artistiques et des pièces fabriquées de manière précise avec des années d'héritage, en offrant une expérience émotionnelle vraiment exclusive. Dans les ateliers de BOCA DO LOBO, les artisans talentueux utilisent leur sagesse pour combiner les techniques de fabrication traditionnelles aux méthodes les plus récentes. Les matériaux les plus raffinés sont façonnés en œuvres d'art de collection, en créant ainsi des environnements cosmopolites et intemporels. Les pièces émotionnelles de BOCA DO LOBO sont fabriquées à la main au Portugal avec une grande passion par le riche patrimoine artisanal du pays et une attention particulière aux détails.

MEMOIR ESSENCE INTERIORS

Hall 7 - Stand D35

"Memoir: A collection of memoirs or memories that someone writes about its life experiences."

Memoir Essence Interiors tell a story from a life inspired in the feminine essence. A life inspired in every detail lived through a feminine world, this world brings the most exquisite imaginary. Having jewelry, fashion, architecture, music, art and materials as inspirations, capable to make these memoirs to be "written" into an exquisite furniture, upholstery, lighting and accessories collection.

The use of noble materials like marble, brass, veneers, gold and silver leaf, Swarovski crystals and many other decorative and exquisite materials, combined with handwork techniques as casted brass, hand-whickered fabric ribbons, gold leaf appliance, marble cutted and puzzled pieces, provide us the needed essence to tell "memoirs" with this collection.

This luxury handmade collection, made in Portugal, brings handwork techniques that are part of Portuguese history, applied in a current and differentiated way, delivering timeless pieces to any special project. Acquire Memoir is the opportunity to travel through the feminine essence over design and experience a unique "memoir" of timelessness and exclusivity.

The story started to be "written" in 2016 when an inspired female interior designer aimed to pass on to a collection, all the inspirations she gathered through her projects, country and experiences. After an hard work on the inspiration and handwork techniques selection, also finding the perfect match between both a first appearance happened at Maison et Objet, Paris, 2016.

Since there, the brand has been "writing" its memories adding new materials, designs, techniques and appearances around the world, as in Paris, London or Russia.

Memoir will continue its journey, always motivated by the inspiration possibilities in many simple details of feminine essence of living.

Tell your memoirs with this collection and be a memorialist yourself...

OIA

Hall 8 - Stand A7

OIA Design was born in Oiã, Portugal, partly in thanks to BARMAT's knowledge and experience, so OIA counts with the best quality craftsmanship and materials.

It all started in 2017 with no detail left to chance. All the brand aspects were created to bring to life a new kind of product which aims to be contemporary and reasonably priced.

More than just functional products, OIA designs bring emotions and identity to all its collections.

After participating in several international fairs and events, OIA is fulfilling one of its founding goals: appearing as one of the most promising companies in the furniture world.

The future is now, and OIA was born prepared for that future.

OIA Design est née à Oiã, au Portugal, en partie grâce aux connaissances et à l'expérience de BARMAT, donc OIA compte avec la meilleure qualité de fabrication et de matériaux.

Tout a commencé en 2017, sans aucun détail laissé au hasard. Toutes les caractéristiques de la marque ont été créées pour donner vie à un nouveau type de produit qui se veut contemporain et abordable.

Plus que de simples produits fonctionnels, les designs OIA apportent émotions et identité à toutes ses collections.

Après avoir participé à plusieurs foires et événements internationaux, OIA remplit l'un de ses objectifs fondateurs: apparaître comme l'une des entreprises les plus prometteuses dans le monde du meuble.

L'avenir est maintenant, et OIA est née prête pour cet avenir.

PLAISANCE

Hall 7 - Stand A75

Plaisance company was born with the entrepreneurial spirit of its founder José Martins, cabinet maker as profession in France, with a good knowledge of the furniture aimed to create collections inspired by the tradition of the finest furniture crafted in Europe.

The aim of quality in the manufacturing process as well as in the field of design is one of the company's engines.

Much of its production remains artisanal and emphasizes manual work in a concern of perfection which makes each piece of furniture a unique piece to adapt to the demands of the most demanding customers.

The selected woods are mainly cherry and oak from France.

Plaisance exports most of its production, mainly to France.

La société Plaisance est née grâce l'esprit d'entreprise de son fondateur José Martins, ébéniste de métier en France, ayant une bonne connaissance du meuble, dont l'objectif est de créer des collections inspirées de la tradition des plus beaux meubles fabriqués en Europe.

Le parti pris de la qualité dans le processus de fabrication aussi bien que dans le domaine du design est un des moteurs de l'entreprise.

Une grande partie de sa production reste artisanale et met en avant le travail manuel dans un souci de perfection qui fait de chaque meuble une pièce unique.

Les bois sélectionnés sont principalement du merisier et du chêne de France.

Plaisance exporté pratiquement toute sa production.
