AMCLASSIC

Hall 3 - Stand 3/51

AMclassic is filled with history and passion. Inspired by French neoclassical furniture styles, it is the perfect blend between elegance and artistry. A regal atmosphere emerges from the creation of delicate, handmade and beautifully carved pieces.

A unique design and a versatile color palette account for the creation of unforgettable and timeless ambiances. Keeping tradition alive while relying on technology, AMclassic reinforces its position as a brand that represents modern classic furniture, with the sentiment of the past and the appeal of the present.

AMclassic is made from history and has a story to tell.
