BESSA DESIGN

Stand L209

Bessa is a Portuguese Art&Design brand that recovers techniques of craft production to unique pieces targeted at the high end home decor market. It's exclusive & luxurious home decor.

All of our pieces are handcrafted as a demonstration of our respect and value for handmade production techniques.

It is only possible to transmit passion, because, each of Bessa's pieces is shaped by several experienced craftsmen who seize the challenge of turning the past into the present.

From each of them, from their hands, their love and wisdom, come the delicate details that make the perfection of each piece.

Bessa recreates the sensations and the stories of earlier times through Design. A past full of passionate memories, inspiring feelings of nostalgia. That's why all of our creations have soul.
