HAMILTON CONTE PARIS

Hall CD - Booth 224

Hamilton Conte believes that every interior should tell a story. To make this possible, we create distinctive pieces of furniture that can easily be integrated into different interior styles, and facilitate the creation of unique ambiances. Every Hamilton Conte product is built to order by craftsmen in Portugal, where quality furniture making has been a family tradition for generations. This production method allows us to tailor each product to the specific needs of each client.

Hamilton Conte croit que chaque intérieur doit raconter une histoire. Pour ce faire, nous concevons des modèles distinctifs et facilement intégrables dans de multiples styles d'intérieurs, permettant de créer des ambiances uniques. Tous nos produits sont fabriqués à la commande au Portugal, où la fabrication de meubles de qualité est une tradition familiale depuis des générations. Cette manière de produire nous permet de faire du mobilier personnalisé aux besoins spécifiques de chaque client.

SERIP

Hall CD - Booth 124

Created half century ago SERIP was created as an idea that lighting should be unique, bold and original, after 55 years that idea is present in all the features behind the brand.

As a Portuguese company that produces stunning art pieces inspired by nature, the passion for lighting and search for pioneer design sets SERIP apart from the other lighting companies.

The manual bronze work and artistic glass result in stunning art pieces, unique and refined, that adapt perfectly in luxury spaces with classic or modern environments around the world with exclusive lighting fixtures, endless colors, shapes and sizes that suit the needs of every home or project.

The passion for lighting and search for innovation in design demonstrates SERIP's unique point of view in the field of decoration in contrast to the mass of today. Organic lighting that stands out for its attention to detail and unique design.
